ANTIMONY TOWN LANDFILL

Antimony Town has applied for a solid waste permit to construct and operate a Class IVb landfill located approximately ½ mile east of Antimony Town. The landfill may accept for disposal only nonhazardous construction/demolition waste, yard waste, inert waste, dead animals, and waste tires.

The Division of Solid and Hazardous Waste has reviewed the permit application, determined it to be complete, and a draft permit has been prepared. The public comment period for the application and draft permit begins on March 2, 2005 and ends April 1, 2005. A public hearing may be held if the hearing is requested within 15 days of the publication of this notice and otherwise meets the requirements of Utah Administrative Code R315-311-3(2).

Copies of the application and the draft permit are available for public review during normal business hours at the following location.

Utah Division of Solid and Hazardous Waste
288 North 1460 West, 4th Floor
Salt Lake City, Utah

Antimony Town Hall
Main Street
Antimony, Utah

For the public's convenience, an unofficial copy of the application and the draft permit are available on the Internet at www.hazardouswaste.utah.gov.

Written comments will be accepted if received by 5:00 PM on Friday, April 1, 2005 and should be submitted to:

Dennis R. Downs, Executive Director
Utah Solid and Hazardous Waste Control Board
Department of Environmental Quality
P.O. Box 144880
Salt Lake City, Utah 84114-4880

Comments can also be sent by electronic mail to: swpublic@utah.gov. and should include in the subject line: *Public Comment on Antimony Landfill*, with attachments submitted as ASCII (text) files or in pdf format, by 5:00 PM on April 1, 2005.

For further information contact Ralph Bohn or Jeff Emmons of the Division of Solid and Hazardous Waste at (801) 538-6170 or TDD 536-4414.
